

LED line LITE

Code: 227583-II

EAN: 5905378227583

Downlight MOLLY Round frame for surface mounting 9W black LITE

The black surface-mounted frame LED line is a functional adapter that allows for the quick installation of recessed Molly panels on any solid surface. The perfect color match with black panels ensures an aesthetic and cohesive appearance of the entire fixture, highlighting its modern character. The product eliminates the need to cut into the ceiling, making it an excellent solution for concrete ceilings and loft arrangements.
