DOWNLIGHT EASY FLEX Ceiling bracket  
EASY FLEX 20-50cm white LITE

EASY FLEX 20-50cm ceiling holder in white from LED line LITE is an innovative solution for modern lighting installations. Thanks to the maximum load adapted to various applications, it provides stable support for light sources. The destruction of materials has been protected by the IK05 and IP20 resistance class, which guarantees the durability and safety of the assembly. The product is covered by a 3-year guarantee, which proves its high quality and reliability.
