

LED line PRIME

Code: 218031

EAN: 5905378218031

White surface-mounted aluminum profile 3m - PRIME set

New

Profile LED line PRIME not only provide protection for the LED strip placed inside them but also effectively dissipate heat, which significantly extends the lifespan of the LED diodes. Our products stand out not only for the highest quality of the profile itself but also for additional components such as covers and end caps.
