Table lamp TAZA 3,5W 400lm CCT IP54 yellow 2x2000mAh

The elegant table lamp is a product manufactured with the highest attention do detail. It features both high technical parameters and a modern design. Therefore, it will be appreciated by enthusiasts of both aesthetic and practical solutions.

The robust lamp has an iron housing resistant to mechanical damage, as well as a non-slip base. Its parameters make it stand out from other products available on the market: it features 3.5W power and 400lm luminous flux. The IP54 protection ensures that it will work perfectly outside and not even rain will damage it.

The lamp is available in four colour versions: black, white, green and pink, thanks to this, it will suit any arrangement. It will be a perfect decorative element in a house or a restaurant. Due to its compact size, it may be freely moved. You may turn the lamp on/off or dim it using a single button.

Its charge time is only 5 hours, and you may use it twice as long. Lack of a power supply cable ensures full mobility of the lamp; therefore, it will work perfectly in places where standard devices would not.

Main advantages and features of the product:

- capacious batteries 2 x 3.7V 2000mAh;
- long operation time (up to 8 hours);
- 400lm luminous flux ensures optimal illumination of the selected surface;
- IP54 protection class;
- a touch dim function;
- CCT change: 3000/4000/5000 K
- aesthetic design and elegant look;
- may be used both outside and inside;
- available in to four colour versions: black, white, green, pink, yellow and gold.

Voltage range and voltage type
