ESTADIO Laser pointer for positioning luminaires on a pole PRIME

ESTADIO is a laser indicator created by the brand LED line PRIME, which is an indispensable tool for precise positioning of fixtures on poles. It has been designed with professionals in the lighting industry in mind, for whom accuracy and reliability are priorities. Thanks to this laser mechanism, exceptional precision can be achieved, significantly facilitating the installation of fixtures in hard-to-reach places.

Product made to order. Waiting time ~12 weeks.
