

LED line PRIME

Code: 210653

EAN: 5905378210653

**Connector L for 3 phase track  
LUMICANTO left black with feeding  
PRIME**

L connector for LUMICANTO rails in black is a high quality element designed for LED line PRIME lighting systems. It is characterized by working voltage 220-240V AC and rated current 16A, which ensures stability and safety in use. Made of plastic, the product is resistant to different operating conditions.

**Technical data**

| Parameter                       | Value        |
|---------------------------------|--------------|
| Warranty                        | 5/7*         |
| IEC protection class            | I            |
| Rated power                     | 220-240V AC  |
| Rated current                   | 16A          |
| Mounting type                   | 3 phase rail |
| Frequency of the supply voltage | 50/60Hz      |

| Parameter                                  | Value   |
|--|---------|
| Ambient temperature suitable for operation | 5÷40    |
| Height                                     | 31      |
| Power supply connection                    | yes     |
| Equivalent                                 | XTS 35  |
| Colour                                     | Black   |
| Material (housing)                         | Plastic |
