Reflector 24 degrees Lumicanto 14-29W

New

Expand the possibilities of your Lumicanto fixtures by LED line with dedicated reflectors with beam angles of 15 and 24 degrees. This incredibly practical accessory allows for precise direction of the beam, making it ideal for highlighting architectural details or works of art. With the incredibly simple exchange of reflective elements, you gain full flexibility in creating a unique atmosphere in any interior. Focus attention on what matters most and enjoy a professional lighting effect in your home or business.
