Honeycomb LUMICANTO 6-20W / 12-42W PRIME

New

Ensure the highest visual comfort in your interior with the honeycomb anti-glare screen, dedicated to Lumicanto spotlights by LED line. This precise grid effectively reduces glare, subtly concealing the light source and making it extremely pleasant for the human eye. It is the perfect solution for elegant office, commercial, or residential spaces, where professional beam direction must go hand in hand with care for the users' excellent well-being. Take care of uncompromising lighting quality and elevate the standard of any arrangement with this highly functional accessory.
