Solar LED wall lamp CUBE 3000K 50lm  
IP54 black LITE

The solar wall lamp CUBE is a combination of modern, geometric design with energy independence, perfect for illuminating facades without the need for wiring. Equipped with an efficient battery, it provides free and automatic lighting for the property throughout the night. The solid construction with an IP54 protection class guarantees durability and a consistent appearance with traditional, mains-powered fixtures from the CUBE family of LED line.
