

## LED line® strip 1500 SMD 12V 2700K 21W SPOTLESS

LED Strip line is a modern and versatile linear light source, used for interior lighting, furniture, lightboxes, illuminated signs, and public spaces.

The colour temperature range of the product falls within 3 steps of MacAdam formula, which ensures high consistency of the produced light.

High Colour Rendering Index ensures that the colour of illuminated objects/surface is truly revealed.

By significantly increasing the number and density of LEDs placed on the LED line® SPOTLESS strip, a continuous line of light has been achieved, which in combination with the aluminum profile allows to create the ideal single luminaire without any visible dots of light.

Voltage range and voltage type

Ambient temperature suitable for operation

Lifespan

71 lm/W

Reliable photometric files are available based on photometric tests performed at the LED line® Light Research and Measurement Centre.

The use of chosen components for the production of this item ensures extended life span of the product.

Manufacturer issues a 5-year warranty for this product.

| Parameter                              | Value   |
|--|---------|
| Luminous efficacy                      | 71 lm/W |
| Colour of the light                    | White   |
| Energy efficiency class 2019/2015      | G       |
| Correlated colour temperature          | 2700 K  |
| Colour consistency in MacAdam ellipses | ≤3      |
| IP protection rating                   | 20      |
| Warranty (years)                       | 5       |
| Dimmable function                      | Yes     |
| Survival factor                        | 0.9     |
| Minimum purchase quantity              | 5       |
| Lifetime L70B50                        | 50 000  |
| Wattage (1m)                           | 21 W    |
| Luminous flux (1m)                     | 1700lm  |
| Current (1m)                           | 1,75    |
| Supply voltage range and voltage type  | 12 DC   |
| Colour rendering index Ra              | 90      |
| CRI colour rendering index             | 90      |

| Parameter                                  | Value              |
|--|--------------------|
| Lifespan                                   | 100000             |
| Number of on/off cycles                    | 50000              |
| Colour consistency in MacAdam ellipses     | ≤3                 |
| Ambient temperature suitable for operation | -20 ÷ 45 °C        |
| For indoor use                             | Inside             |
| IEC protection class                       | III                |
| Full box quantity                          | 75 pc              |
| Lamp's warm-up time to 60%                 | 1                  |
| Width                                      | 10 mm              |
| Height                                     | 2,5 mm             |
| Product weight with packaging (g)          | 113 g              |
| Master carton weight (kg)                  | 8,48               |
| EPREL ID                                   | 632 040            |
| Date of first placement on the market      | 01.05.2018         |
| Energy class                               | A+                 |
| Form of the product (EPREL)                | Dotyczy 10cm taśmy |
| Angle for useful luminous flux (EPREL)     | Sphere 360 degrees |

|                              |            |
|------------------------------|------------|
| Metres per roll              | 5          |
| The lumen maintenance factor | 96         |
| Beam angle                   | 120 °      |
| LED type                     | SMD2216    |
| Not dimmable                 | TAK        |
| Compatible dimmer type       | PWM        |
| Laminate (colour)            | White      |
| Laminate (thickness)         | 2          |
| LED quantity (1m)            | 300        |
| Cutting section              | 1          |
| Type of adhesive tape        | 3M 300 LSE |

|  |      |
|--|------|
| Is the product equipped with an integrated light source? (EPREL) | No   |
| Non-directional or directional light source (EPREL)              | NDLS |
| Is this product a light source? (EPREL)                          | Yes  |
| Mains or non- mains light source (EPREL)                         | NMLS |
| Connected light source (EPREL)                                   | No   |
| Colour-tuneable light source (EPREL)                             | No   |
| R9 colour rendering index value (EPREL)                          | 61   |
| Total luminous flux (EPREL)                                      | 170  |
| On-mode power $P_{on}$ (EPREL)                                   | 2    |
| Useful luminous flux $\Phi_{use}$ (EPREL)                        | 170  |
| Beam angle in degrees (EPREL)                                    | 120  |
