

LED line LITE

Code: 475442

EAN: 5907777475442

LED line® luminaire for single-phase track GU10 white PIPE

The PIPE LED line LITE is an elegant lighting element made of durable aluminum, powder-painted in white. It allows installation in a single-phase rail, allowing flexible light arrangements of many spaces. Thanks to the adjustment of the light direction in the range of 180 degrees and the rotation by 330 degrees, it provides precise lighting for selected locations. It supports GU10 bulbs with a maximum power of 10W and is covered by the manufacturer's three-year warranty.

Technical data

Parameter	Value
Warranty	3
