Compact power supply 12-12 IP67 12W
12V PRIME

New

The LED line power supplies from the MINI series are an innovative solution with dimensions of just 56x39x26 mm, perfectly fitting into standard electrical boxes with a diameter of 60 mm. Replacing older models, they offer the same reliable power of 12W in a much more compact form, making installation in hard-to-reach places easier. High quality workmanship and a 5-year warranty make them a reliable choice for any professional lighting installation.
