

LED line LITE

Code: 478290

EAN: 5907777478290

LED line® pendant luminaire GU10
black PIPE

The mounted LED line PIPE in black combines modern design with functionality. Made of high quality aluminium, it is characterized by powder painting, which provides resistance to damage and aesthetic appearance. The mounting system allows you to easily adjust the cable length to 100 cm, which increases the flexibility of the installation. The recommended light source is GU10 bulbs with a maximum power of 10W. The product is covered by a 3-year warranty and meets the PN-EN IEC and IP20 standards.

Technical data
